## EXPANDING PERCEPTIONS

PROMPT Magazine is a worldwide book showcasing the best in Artificial Intelligence design, about art, fashion, beauty and possible futures.

We are promoting new and existing talent and visionary minds who are using algorithms and data to bring works of art to life, who dares to stimulating reflection on what it means to be human in an era of profound transformation.

Charlotte van Kemenade  
The Netherlands

In a dreamy, futuristic world, sea creature monsters roam the depths of the ocean, accompanied by a woman with striking white hair. Her fashion is a blend of futuristic elegance, reflecting their love for the ocean's beauty and mysteries. In this enchanting realm, their kind-hearted nature extends not only to one another but also to the animals that call the deep blue their home.

## MAGAZINE

PATREON

You can also find us on Patreon, where you can access the digital version of our magazine. Additionally, every month, we feature a special "Artist Showcase" of about 20 pages, entirely dedicated to the cover artist of the month. We want to express our gratitude to our supporters with a special thank you.

THANKS
